

JOB OPPORTUNITY

Job Opportunity Bulletin: #06-272

Final Filing Date: June 14, 2007 or Until Filled

Position:	Salary:	Location:
Senior Information Systems Analyst (Specialist)/Data Product Development Manager	\$5,388-\$6,875	Office of Statewide Health Planning & Development Healthcare Information Division Information Technology Services Section 818 K Street, Room 300 Sacramento, CA 95814

General Statement:

The Data Product Development Manager provides leadership, coordination, and guidance to the OSHPD Data Management Office (DMO) and collaborative data product teams across the organization in developing static, dynamic, and interactive, new and ongoing OSHPD data products and services that inform healthcare assessment, analytics, research, public reporting, decision and policy-making.

The incumbent implements data product development processes; provides product managers in OSHPD data programs with methodologies, tools, training, and mentoring required for the successful development of products in terms of schedule, cost, and scope. The product manager measures the product performance; plans, executes, and monitors activities in support of the successful execution of a strategic data products plan.

Duties:

- Customer and stakeholder relations management
- Project Management for strategic product development
- Developing data product policies, procedures, and standards
- Designing healthcare data products based on stakeholder business needs
- Requirements analysis in the development of database-driven reports and tools
- Evaluating and deploying information access technologies and reporting tools
- Consulting with business units on healthcare information, technology, and data products

Desirable Qualifications:

- IT Project Management
- Customer Relations Management
- Strategic, tactical, and operational planning
- State IT approval and procurement process
- Data Warehouse and Business Intelligence (BI) technology and trends
- Knowledge of healthcare data, medical terminology, and industry trends

Who May Apply:

Applications will be accepted from individuals currently in the class or who have list, transfer or reinstatement eligibility to the class. Individuals with list appointment should attach a copy of their notice of test results. Appointment is subject to SROA policies. The most qualified individuals will be selected for an interview.
